SUMMARY

Computer Science Engineer with a strong foundation in software development, data structures and algorithms. Skilled in problem-solving, database management, software testing and version control. Seeking to leverage my technical expertise and passion for innovation in a challenging engineering role to contribute to the organizational growth.

EDUCATION

Anna University College of Engineering, Panruti (UCEP) — **Tamil Nadu, India**
- Bachelor's Degree in Computer Science — 2020 - 2024
- CGPA : 7.85

Saraswathi Vidyalaya Higher Secondary School — **Tamil Nadu, India**
- HSC – Computer Science (State Board) — 2019 - 2020

EXPERIENCE

Tata Groups | *Virtual Internship* | *Link* — Aug -2024
Data Visualisation: Empowering Business with Effective Insights Job Simulation
- Completed a simulation involving creating data visualizations for Tata Consultancy Services.
- Designed visuals for data analysis to help executives with effective decision making.

SKILLS

- Programming Languages : Python, Java
- Frameworks : Django
- Database Management : SQL (Microsoft SQL Server, SSMS)
- Data Analysis & Visualization : Power BI , Microsoft Excel (Advanced)
- Version Control : Git , GitHub
- Testing : Unit Testing

PROJECTS

Rice Leaf Disease Detection System Using CNN | *Link* — **May - 2024**
- Collaborated with classmates to develop a deep learning model using CNN to detect and classify major rice leaf diseases such as leaf blast, bacterial blight and brown spot.
- Implemented image processing techniques to analyze leaf images and accurately identify the disease type, enabling timely intervention for farmers to manage and mitigate crop losses effectively.

Blinkit Shop Sales Analysis | *Link* — **Aug - 2024**
- Collected and analyzed data on customer preferences.
- Identified frequently purchased items and explore patterns of products to create an interactive dashboard.

CERTIFICATIONS

2025 GeeksforGeeks – Python Programming Certificate.

2024 Udemy – Microsoft Power BI in Microsoft Fabric Certificate.

2024 HackerRank – SQL Certification.

ADDITION SKILLS

- Problem Solving
- Analytical Thinking
- Decision-making
- Team Collaboration
